

**NOTICE OF PUBLIC REVIEW PERIOD AND  
INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION  
AND MITIGATION, MONITORING AND REPORTING PROGRAM;  
AND NOTICE OF PUBLIC MEETING  
FOR THE C STREET/CENTRAL GALT COMPLETE STREETS PROJECT**

Notice is hereby given that the City Council of the City of Galt, California will hold a Public Meeting in the Council Chamber of the City Hall, 380 Civic Drive, Galt, California, on the date and time indicated below, or as soon thereafter as the matter can be heard, to receive and consider all evidence and reports relative to the project described below.

Further, notice is given that the City of Galt intends to adopt a Mitigated Negative Declaration and Mitigation, Monitoring, and Reporting Program for the C Street/Central Galt Complete Streets Project which has been prepared in accordance with the California Environmental Quality Act (CEQA). The public review period and location where documents can be reviewed is noted at the end of this notice.

**PROJECT TITLE:** Mitigated Negative Declaration Mitigation, Monitoring and Reporting Program for the C Street/Central Galt Complete Streets Project

**PROJECT LOCATION:** The proposed project area includes C Street from Civic Drive to 6<sup>th</sup> Street, along Lincoln Way from A Street to C Street, and along 4<sup>th</sup> Street between A Street and F Street

**PROJECT DESCRIPTION:** The Draft Mitigated Negative Declaration evaluates the impacts of the C Street/Central Galt Complete Streets Project (proposed project). The proposed project will serve to connect the Central Galt SR 99 Interchange and Old Town by transitioning C Street between Civic Drive and 6<sup>th</sup> Street. Project elements include streetscape improvements along C Street from the freeway interchange to approximately the alley between 5<sup>th</sup> and 6<sup>th</sup> streets, and along Lincoln Way from A Street to C Street. These improvements will include median pedestrian refuges, landscaping, pavement markings, undergrounding of utilities, new historic-type streetlamps, curb realignment to turn on-street parking into planter strips, underground drainage improvements, curb realignment to provide entrance to B Street Parking Lot from Lincoln Way, crosswalk striping, and curb ramp improvements.

Fourth Street streetscape and open space improvements are also proposed within and adjacent to the Union Pacific Railroad (UPRR) right-of-way. These will include landscaped passive gathering space with angled parking between A and C streets and roughly D and F streets, and a parking lot with approximately 120 spaces and parallel street parking roughly between C and D streets. Other improvements include reserve space for a future train station, sound barriers, site furnishings (signs, trash receptacles, pedestrian lights), improved pedestrian crossings at B, D and E streets, and curb ramp improvements.

The proposed project would construct all improvements within the existing street and UPRR right-of-ways in phases. Phase I would complete the proposed improvements on C Street between Lincoln Way and 6<sup>th</sup> Street, and the proposed street frontage and drainage improvements along 4<sup>th</sup> Street.

**CITY COUNCIL MEETING:** Tuesday, July 7, 2015 at 7:00 p.m.
