**\*PIONEER NAMES**

Street Names should be located in the appropriate section of the City whenever possible.

E - East      W - West      N - North      S - South      C - Central

1 Davis, Russel and Sunflower have been removed at the County=s request, they have already been used in an adjacent zip code. All other available street names have been reserved for Galt.

2 Removed per Gudel family request. To be used for their subdivision in S.J. Co. - same zip code. 6/23/03.

3 Removed from list because of potential conflicts with current City streets with sound-alike names.
