

TENTATIVE MAP TIME EXTENSION REQUEST

General Information:

By requesting a tentative subdivision map time extension, the tentative map and the original conditions are revisited and may be revised to reflect changes in policy and/or state law.

Refer to Chapter 18.64 of the Galt Development Code for requirements for filing Tentative Map Time Extension requests.

Project Name: _____

Owner/Applicant: _____

Engineer: _____

Map Expiration Date: _____

Information to be Submitted with Application:

1. 10 copies of a one page narrative describing the project background, current status, and reason for extension request.
2. 10 copies of your original Resolution of tentative map approval, with exhibits and conditions.
3. Application fees.
4. List (names, addresses and APNs) of all parcels within a 500-foot radius of the project (see attached).
5. 500-foot radius map identifying the subject property and all parcels within a 500-foot radius.
6. Stamped, addressed envelopes for all parcels within a 500-foot radius from the edge of the subject property. The Planning Division's return address shall also be included. Addresses shall be from the current County Assessor's Tax Roll.
