

**CITY MANAGER'S WEEKLY UPDATE**  
**September 15, 2016**

**TWIN CITIES ROAD RAILROAD CROSSING UPGRADE**

Twin Cities Road is scheduled to be closed at the railroad tracks on Monday, September 19 for crossing upgrade work. There will be detours available, using Spring Street. Sacramento County is responsible for traffic control and working with the railroad on this project. The closure is expected to last through Friday, September 23. Updates will be provided, in the event the schedule changes.

**MARENGO ROAD PATCH PAVING**

Sacramento County crews performed much needed pavement repairs on Marengo Road at the "S" curve near the railroad crossing.

**DRY CREEK OAKS SENIOR HOUSING SUBDIVISION**

The contractor will be mobilizing equipment and setting up next week on the site, located East of Crystal Way and North of the Dry Creek Golf Course. Grading will commence in the near future and will take about a month to complete.
