FREE CATALYTIC CONVERTER ETCHING EVENT - "ETCH & CATCH"

The Galt Police Department is partnering with Jiffy Lube, Rachele Herendeen with State Farm, Raley's, and other local businesses to host a FREE catalytic converter etching event. The vehicle license plate numbers will be etched onto catalytic converters. The presence of a license plate number on catalytic converters can provide police with the information needed to identify stolen property, contact victims, and apprehend and prosecute criminals. This event is sponsored by the City of Galt Police Department, Galt Jiffy Lube, and State Farm - Rachele Herendeen, Agent.

LOVE GALT VOLUNTEER DAY PROJECT

Thank you to the twelve volunteers from Family Life Church who donated their time to spruce up the Gora Aquatic Center by painting the metal fence surrounding the water slide, water slide concrete pillars, and picnic table tops. They also assisted with the set-up of the last swim meet of the season!
