CITY OF GALT

CLOSED FOR ROADWAY CONSTRUCTION: PORTIONS OF SOUTH LINCOLN WAY IN DOWNTOWN GALT

Galt, CA (June 11, 2018) – Beginning Friday Morning June 15th Lincoln Way will be closed to vehicular traffic, between C and D Streets in Galt. This will allow the placement and curing of new stamped concrete crosswalks, with a scheduled re-opening on Monday morning June 18th. Beginning Saturday June 16th, Lincoln Way will be closed to all traffic between A Street and Chabolla Avenue, from 4:00 a.m. to approximately 2:00 p.m. for the placement and curing of a new micro-pavement seal coat. Businesses within the road closure area will remain open for business, but parking will only be available on adjacent streets.

These improvements are part of the City's Safe Routes to School and Roadway Rehabilitation project. During the periods of roadway closure, signed detours will be in place. The \$5+ million dollar project is on schedule, with approximately half the work completed to date. Other road work along North Lincoln Way and various A Street locations will accelerate now that school is no longer in session, to allow completion before the fall school year begins. Motorists should expect intermittent delays in these areas over the next several weeks. Project inquiries may be directed to the Galt Public Works Department at 209.366.7260.
